PROFILE

Creative and detail-oriented professional with substantial experience in creating and delivering graphic and packaging designs to promote company/brand products and increase brand recognition. Proven success in creating web pages, logos, and social media content by leveraging software and tools. Ability to monitor and analyze social media trends and develop design concepts accordingly. Instrumental in collaborating with internal/external teams. Exceptional talent in delivering final artwork via photography, illustrations, design, and videos, while enhancing social engagement by ensuring visual consistency. Possess expertise in interactive design, user experience design, and brand development.

PROFESSIONAL EXPERIENCE

○ Packaging/Graphic/Web Designer, 2019 to 2020, 2023 to Present
POM Gear, New York City, NY

Analyzed market trends and selected appropriate packaging designs. Coordinated with cross-functional teams to execute projects effectively. Planned and prepared final layouts. Recommended improvements by reviewing layouts. Produced material for print and digital media.

- Formed overall style guidelines for billboard packaging.

○ Packaging Designer & Graphic Designer, 2020 to 2022
Merkury Innovations, New York City, NY

Obtain information and material to formulate high-quality designs. Employ relevant software and tools to deliver quality material. Cooperate with staff, art services, and other agencies to improve work performance and incorporate diverse ideas. Promote customer satisfaction by communicating with clients on design and layout. Provide diverse layouts and graphics for company website, logos, and flyers by employing advanced software.

- Established entire template design for several phone case lines.

○ Packaging/Graphic/Web Designer, 2017 to 2019
ESI Cases & Accessories, New York City, NY

Collaborated with design and marketing teams to deliver packaging design. Managed website as well as social media content. Executed photo retouching and manipulation. Utilized multiple software and applications to generate catalogs, PDQ graphics, and booths. Finalized mockup designs by employing modeling software.

- Developed and designed website to facilitate advertisement of products.

○ Graphic Designer, 2012 to 2017
AGB Worldwide, New York City, NY

Created illustrations, newsletters, posters, and logos by utilizing designing software. Supervised company's social media to enhance audience engagement and reach by developing interactive posts. Designed catalogs, landing pages, and advertising flyers to promote products and profitability. Enhanced user experience by devising creative web pages and banners.

- Led designer for company to maximize productivity.
